BIOGRAPHY

Writing, recording, and performing music with many of the best in the business, Alana toured nationally in acoustic venues, outdoor theaters, rock clubs, and festivals for both her first and second albums as a solo act. After the release of her first album in 2009, she was part of The Vans Warped Tour, and met her future band mates the electronic rock project, THIS IS SHE, started in 2011. With the release of their EP with Adamant Records in 2012, the group did two tours to the Middle East performing for the troops and then toured internationally in east and Western Europe with bands including Lacuna Coil, Adam Lambert, and One Republic.
